

## Vickie R. Arrambide

April 27, 1924 - July 5, 2015

Victoria "Vickie" Rodriguez Arrambide April 27, 1924 – July 5th, 2015 inspired you to live a life based on love, compassion, and a refined sense of elegant humor.

The death this week of 91-year-young Vickie touched many lives, including the lives of people who never even met her. Described as the embodiment of "youthful," this zephyr of a human being was surrounded by all those who loved her; late husband, kids, grand-kids, great-grandkids, neighbors, neighbor's kids, friends, friends-of-friends, and even the mail lady. They all recall how she "scarcely dimmed" her delightful and sometimes perfect sense of humor...even to her last few words of asking for a cup of coffee.

Vickie entered eternal life on Sunday, July 5th, 2015. Her spirit is carried on by her 3 children, 8 grandchildren, and 14 Great-grandchildren, extended family of relations and friends from every walk of life.

We were blessed to learn many valuable lessons from Vickie during her 91 years, among them: Cleanliness is close to Godliness, even if you don't like to cook there is a beauty to the cooking channel on TV, and always be ready to go home.

How precious you have been to us. We all send you off with perfectly pedicured toes to connect with the brilliancy of your own spirit returning to your Maker.

Knowing and loving each one of you was the success story of her life.
