“ I am missing my Uncle Roland. I wish I could have seen him sooner and of course all my San Antonio family. He was a special man and such an honor to have known him. I have fond childhood memories growing up around him, Aunt Gloria and my cousins and siblings. I always looked forward to going to Uncle Rolands house! That's the hot spot in SA! All the laughs and good times will forever be in my heart with memories of your sweet personality and caring/giving nature. You will be missed but we'll meet again. Your nephew, Jimmy

“ The Lopez family is very dear to me. I have known them for almost 30 years. I went to prekindergarten with Jacqueline Lopez and all the way till college and we have remained friends. mr Lopez has alway treated myself and “the girls” with kindness and love. Thank you for treating me like your own daughter. Thank you for all the call pool rides. This is just an example that shows you how kind he was. He was the life of the party. My deepest condolences to the Lopez family.

“ *Mr. Lopez was a very special man and will be missed dearly by many. I'm a friend of Jacqueline and spent many celebrations with the Lopez family. Mr. Lopez was one of a kind. I will remember his big smile, beautiful laugh and kind heart. He was the life of every party (just like Jacqueline)! I loved how Mr. and Mrs. Lopez would always be the first ones on the dance floor and just enjoy life to the fullest. You could literally see the love they had for each other! He was a great family man. My deepest condolences to Mrs. Lopez, Jacqueline and the entire family. Love, Lori & Edward Gonzales*

“ Our deepest sympathy to the family. Roland was a dear friend we met in high school. Tech High was a great school, where we all participated in the Tech Little Theater. Roland was very active and we all had fun at the dances. After high school, my wife, Josie, and I would meet him at the social dances and dinner after. My son's wife was an Angelini and his mother was an Angelini, so he said we were now related! He was always a happy person and we will miss him. The Best to his family.

“ *Its a joy to teach your grandson and be around your granddaughter as well. Your smile was infectious. You always picked Jovanni up with the biggest smile on your face and you were always so kind. I never saw you in a bad mood. Thank you for sharing that joy with your grandkids and allowing me to witness the unconditional love you have for your family. Rest in peace you will be missed by more people than you could ever know!*

“ It was a pleasure knowing roland and the family. No words can express what an impact he had in my life.. he had a heart of gold he understood the meaning of family and knew how to cherish the moments. We had great times hanging out and enjoying each others company. Although I couldnt spend more time he taught me a lesson in how family should be. May you be in the heavens looking down over your family and keep them safe.
