I was mistakenly given a flower card for Msgt Victor M Villa. The gifters were Sal & Sara Escobedo, and they sent a Spathiphyllum plant. I am letting you know so you can perhaps send a thank you to them.

“ *Victor, Though I didn't know you very long, you were married to my sweet "sister" Becky who I've known all of her life as my Mom was a close friend of her grandmother and knew Becky's mother from her youth. Thank you for your service to our country and thank you for being the kind of man/husband to Becky that women wish to have as a life's partner. Sincerely, Annie.*

“ To the family of Victor Villa, I am deeply sorry for your loss. Victor played a large part of my my life when I was really young in England and Alamogordo. He was a sister, teacher and Family in time of need. Thank you Victor for your selflessness, caring and mentorship. May you Rest In eternal peace.

“ Dear Becky and Victor's family, we are deeply sorry of your loss. Victor was a big part of our family when our kids were really young in Spain and Alamogordo. He would surprise us with pizza and the kids really were close to him. He would teach the kids all kinds of Karate and was the big Uncle they did not have near by. He was a big part of our extended family. Wish we had seen more of him here in SA. We pray he is resting in peace and happy to see his family in Heaven. May the Perpetual Light Shine Upon You our dear friend.

“ Victor was one of my 4 brothers, was caring and generous to all he loved. He will be missed extremely 💔 he is with the Lord, my mom & dad and my other brother James. All use to say I looked just like him! Never could see it, but as we got old(er) I could see it. (Victor-L Ruben-R) This is not the end, I will see you again 🙏❤️🥹
