“ Thanks for the love, Gramma V. I'm so sad I didn't know about your cancer diagnosis or when your health was so poor. I'm sorry I couldn't comfort you or say goodbye. I still have the sterling silver heart-shaped box you gave me long ago. Your gifts always meant a lot to me. I'm happy I've saved almost all the letters you ever wrote to me. I love you forever. Thank you for wanting good things for me.
Love, Karen
