

## Victoria Lynn Hill

October 31, 1951 - September 29, 2021

Victoria “Vickie” Lynn Hill entered the kingdom of Heaven on September 29, 2021, at age 69. Vickie served her heavenly Father and others faithfully and now she is resting in the presence of Jesus.

Vickie was born to Joyce Yvonne Woodroffe and James Nicholas Seros on October 31, 1951, in Detroit, Michigan. She was one of six children born to Joyce and had spent the majority of her life in the San Antonio area.

Vickie met Billy Hill, her husband of 52 years, in high school and they married September 6, 1969. Over the next 5-10 years, Vickie and her siblings were sought out by the grace of God. Salvation and a new course was charted for eternity in this one generation. Although Vickie and Billy seemed to have had little in common, they shared the same conviction placed on them by God to help provide for those who were struggling or in need of love or a place in life.

Vickie dedicated her life to ministering to others’ personal needs and was always a pillar of strength to so many in need of love, support and nurturing. Those who knew and loved Vickie will recognize her gift of service as she leaves a legacy of almost four decades of love and guidance to growing and supporting the pre-school ministry at First Baptist Church in Universal City. Countless children have been impacted for eternity as a result of her spiritual calling to grow and strengthen this precious ministry.

Vickie's pride and joy in life was her family; her daughter, Vanessa Lynn and husband Barry Hill, her son, Billy Ross and wife Christina and her six grandchildren Coleman Walker, Macie Joy, Hannah Claire, Hailey Grace, Molly Brooke and Harper Reece who all knew her as "Mimi". Vickie is preceded in death by her father and oldest brother, Michael Seros. She is survived by Billy, her mother Joyce Markowski, her brother Mark Markowski, her beautiful sisters Marsha Threadgill, Andrea Myers and Shirley DeGrasse, aunt Audrey Snoes and cousin Carol Parker of Michigan, many nieces, great nieces, nephews, great nephews and adopted family members that Vickie always included as part of the family.

Visitation with the family will be on Thursday, October 14th from 5 – 8 pm in the Peace auditorium at the First Baptist Church of Universal City. A Celebration of Life service will be held at the First Baptist Church of Universal City main sanctuary on Friday, October 15th at 10:00 am followed immediately by the interment at Mission Park South Burial (1700 SE Military Hwy). A meal will follow in the Peace auditorium at approximately 1 pm for those wishing to fellowship with family and friends.

In lieu of flowers, memorials and gifts can be given to the Pre-School Children's Ministry at the First Baptist Church of Universal City (1401 Pat Booker Rd. Universal City, Texas 78148).

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." Matthew 19:14

“ I was so sad to hear that my sweet friend and preschool co-worker had passed away. To her dear family I send promises of prayer and memories of a life well spent in the service of many of the "least of these."

“ *Vickie was a breath of fresh air. She had grace and a smile that warmed your heart. Her family was always upfront. She was extremely proud of her children and their accomplishments in life. She was sweet and caring to all that she would meet. I was so proud to call her “Cousin”. May the good Lord watch over the Hill family while they learn to live in our world without her to touch, and to know Vickie is always with them. There is a song “Sweet, Sweet Memories” and it is so true; no one cannot take our memories. The Lord has gained a wonderful Angel.*

“ *Mrs. Vickie is very special. She encouraged me to come out of my comfort zone and serve the Lord. I giggle because I'd tell my kiddos that I started church in pre-school just like them. Her persistence and encouragement played a big role in my journey.*

*Vickie carried a courageous heart for the Lord, for children, and the joy her grandchildren brought her was tangible when she'd speak of them. Mimi loved you each dearly!*

*Wish I could have hugged her neck more recently. I can imagine her delight as she entered the Heavenly realm. She will be missed by many.*
