

## Vincent Eugene Ewing

June 5, 1969 - September 10, 2011

Vincent Vinnie Ewing entered rest peacefully after a 12 year long battle with Huntingtons Chlorea with his beloved wife Veronica by his side. He preceded in death by his father Terrell and brothers TWE and David Ewing. He is survived by his wife of 23 years Veronica and two wonderful daughters Danica and Samantha Ewing. As well as, his mother Dorothy Ewing, brother Rory Ewing, and sister Velina Rodriguez and many family and friends. Vincent touched the lives of many. Although he had such an awful illness he never complained. Instead, he continued to fight with his memorable sarcasm, sense of humor, and love for cheesecake until the end. Our family would like to give a special thanks to the staff at Normandy Terrace for providing the medical assistance that he needed, and Heart to Heart Hospice for the care they gave him. Visitation will be from 5pm to 9pm Thursday, September 15 at Dellcrest Funeral Home. Rosary and Prayer Service will be at 7pm Friday, September 16 at the funeral home.
