“ *I met Virginia through Northern Hills United Church. The pandemic struck so visiting was not allowed but we visited through her window and over the phone on Mondays. She shared about her family who was always in her prayers. I would send her cards from time to time until she told me it was difficult to read them. I offered to send them in my broken spanish but she said that wouldn't make a difference. I just kept a copy of the card I made and read it to her! One time when I had a physician's appointed on a Monday, she called me and said, Where are you? Our check up worked both ways.*
