“ I miss you so much, we had the best of times living next door to each other. We shared dinners, gardening and lots of laughs, I will cherish all the moments we shared. Until we meet again.....

“ Virginia was one of the "good guys". She always looked out for me and was always on my side. The old bolt company was a fun place when she was there and we had a lot of good times and so many laughs. She would clean up my bad letters to some people or companies before sending them out so I would not get sued. My father thought the world of her and considered her a sister to himself. I considered her to be my older and wiser sister who loved to laugh and joke around with me. She was and is a beautiful lady who I loved dearly and missed. Now I will miss her even more. I wish the family, who I have known since they were all so young, to keep all the great times in their minds and hearts. Virginia would like that I think and I know that she is in a happy place now and "life" is wonderful. God Bless you all and especially - Virginia

“ To Ginger's Family,

My heart aches for each one of you. Everywhere she went, Ginger brought sunshine and rainbows! A lasting image I have of her includes a cup of coffee and a smile ... and a genuine care and concern for others.

I am beyond certain that her deep and humble faith have earned for her a special place in heaven. I wonder if God plays bunco? If not, Ginger will be organizing heavenly bunco clubs shortly!

Rest in peace my very good friend!

Love,
