Ginny was more than a sister than she was a sister-in-law. I have so many wonderful memories of our families vacationing together spending time at the coast. Many days walking the beach drinking a beer or eating Whataburgers along the way. I was so very fortunate to have spent a few hours with her before she passed. We talked of fun old times together and family. She will always be in my heart until we see each other once again.

Mrs. Kalisky was such a special person! I can remember in my high school years, Susan and I always trying to pull one over on her but somehow we would always get caught. She never once lost her cool with us ! She was someone I will always remember because of her witty sense of humor and her love for her family! May you Rest In Peace Mrs. Kalisky and please know how very much you are loved!

“ How lucky was I to have her as my Mother-in-Law?? There was not a day that went by in the last 20 years that I did not consider her more!! WE had a wonderful relationship and I treasure all the memories. More than anything - I treasure how amazing she was at including Connor from the very beginning as HER grandchild - words cannot express what that meant to me. I will miss her dearly!! She was one of a kind and I am so glad I got to hear all of her funny stories she told in the past week. RIP sweet MIMI!! WE all love you so!!
