“ God, as we mourn the loss of our loved one, Virgie, we ask you to cover her family with your wings of love. Give them courage so that they can stand before us and share the fond memories they have of their beloved. Father, it has been such a big blow to them as a family, but you are their strength and strong tower. She was so much fun to be around and had a heart of gold. Always, willing to help in any way she could. She will be greatly missed by all of her family. Love you, Celia Perez
