“ My other mom Virginia, the toughest, hardest working, kindest, loving woman I know. Words cannot express the admiration and love I have for you. Miles separated us but love did not. Thank you for the huge part you played in my life, especially as a young woman. Thank you for loving my dad and caring for him as long as you did. You will be missed in the lives of so many but pray that we can all one day celebrate the reunion that you and dad had. I know you pinched him.
In loving words, memories and sympathy,
