“ After 29 years, You can finally be reunited with the love of your life. It breaks my heart to know you're gone but I know, there's no where else you'd rather be. I love you forever!

“*Condolences to all my Uncle D.B Rios, Uncle Roland, Uncle Rudy and my Aunt Gloria and especially my Dad. I am so blessed to have spent the time I did with my grandma. We had so much fun together. Traveling to the casinos, taking her to visit some of her grandchildren that lived out of town. We always laughed and listened to music. She shared a lot of old memories of her life with me. I will miss her dearly but I am so lucky to have shared so much of my time with her. Grandma rest in peace and know that you will always be in my heart forever and forever. Love you always and forever.*”
