“ *Walter, Annetta and I sent our warmest thoughts to you and your family at this difficult time. I know that there may be some questions coming up that I might be able to help with and if so, don't hesitate to call me. This has been a long road for you to travel; your mom was blessed to have a loving family. Please know that we are thinking about you and care deeply.*

“ *My sisters and I send our sympathy and condolences, Walter. I told them last night of your mother's passing and we enjoyed sharing memories of growing up in Northwood and at Northwood with your family. Our hope is those memories bring smiles, some laughter and genuine warmth to you and your sister through the coming days, weeks and years.*

“ Cheryl & David,
In the spirit of celebrating your Mom's life remember when Cheryl, Trish and I dressed up in tu-tu's and danced for Aunt Virginia at her Birthday party? Too funny and yes we looked funny too!! All my love, Sandra

“ Cheryl and Walter, I am so sorry for your loss. I know that this is made even more difficult by the restrictions we are under. She greatly loved and was very proud of both you. She and I had some wonderful conversations and I always admired her Biblical knowledge and strong faith. She is finally home and free from pain. I hope that you are comforted in that faith.
