

Vivian Knaupp Craig

January 24, 1927 - May 11, 2018

Vivian Knaupp Craig went to be with the Lord and her husband William R. Craig and many loved ones on May 11, 2018. She was born on January 24, 1927 in San Antonio and was a lifelong resident. Vivian is survived by her devoted daughter Cathy Craig, brother Jerry Knaupp, Grandsons Ryan, Alex, and Sean Craig and numerous nieces and nephews and friends. She is preceded in death by husband Bill, son Tim, brothers Adolf Knaupp and John Knaupp and Susan Howell Adams. She graduated from Edgewood High school in 1944. Vivian grew up as the only girl among many brothers and cousins- and she liked it that way. She was known for her beauty but she could hold her own. Vivian worked hard her whole life. She was active in girl scouts and was a top cookie chairman in the 1960's. She enjoyed traveling with her family, playing golf at Oak Hills CC, and homebuilding aside her husband. She was an exceptional mother and friend and will be dearly missed. A viewing will take place at 10 AM on May 19, 2018 at Mission Park North at the Dominion, followed by a memorial service and burial at 11 AM.

“ Vivian's grandsons, her only grandchildren did their own obituary published Sat. May 19, 2018 to honor their grandmother, since they were deliberately left off the one here at Mission Park and in the Express-News. <http://www.legacy.com/obituaries/sanantonio/obituary.aspx?page=lifestory&pid=189050408>

“ 2007, my boys with their grandmother, Bebe, Vivian Knaupp Craig. The occasion was their grandfather's funeral, W. R. "Bill" Craig. May she rest In peace. Before she and Bill started W. R. Craig Construction building commercial and residential, they had a filling station. Someone came in to rob them. Vivian took them on as they were robbing her husband, grabbing a hammer jumping him from behind and hitting the robber repeatedly in the head - turned out the hammer she grabbed was a rubber mallet. It didn't matter, she kept clobbering the robber with it! She always said about the incident "no one was going to rob us of our hard earned money and get away with it." She wasn't very big but she packed a powerful punch, both then and throughout her life. I know she loved her three grandsons, her only grandchildren, and was very proud of them and their accomplishments.
