“ *I had the life changing opportunity to have Mr. Langston for Mechanical Drawing while at Harris Jr. High. I say life changing because he instilled discipline and order to us. I will always remember Mr. Langston because he helped form and mold a disorganized young lad that I was into more than he could have ever imagined. I truly am thankful to God for placing Mr. Langston in my life during the couple of years that he was.*

“ *Wade Senior was such a wonderful caretaker. He was always researching the sale ads and best prices on everything. You could always ask his advice on that sort of stuff! He took good care of all his things and the people he loved. I know he loved his son and grandson very much and they love him.*

I will be praying for you all to be comforted in your grief and with the knowledge that he's no longer in pain and reunited with his beloved Nadine.
