“ *I met Walker on only a few occasions, but they were meaningful and happy. From our interactions I found him to be a quiet and thoughtful man; a very dignified gentleman blessed with purpose and resolve. It was very apparent he loved his family deeply, and raised wonderful children, two of whom I got to know very well-- Steve and Tommy. They both are amazing men that I love and am blessed to know. No doubt in large part to Walker's influence. Tommy and Steve would share with me stories of their youth growing up and with their father and we often laughed very hard. I could tell there was much love in the family. To Walker-- fair winds and following seas, Sailor, and thank you for your service My love and blessing to the rest of your family in this most difficult of times. Love, Patrick, Jenn, Andrew, Devin, and Emery*
