“ *Elsie, we were so sad to find this. We still live in the house he built in '78 and we bought from him in 2003. He was one of the nicest men! He and my husband shared a lot of military history between them. Take care, love to you and the entire family.*

“ *Our sympathy to the family. We just happened to see this. We hadn't heard that Walter had passed. He and Elsie were our wonderful neighbors for years before we sold our house in Boerne Heights. It was such a pleasure to have known him. He was such a happy and positive person. We know he will be very missed by many.*
