“ I was fortunate to have spent a few years under Walters guidance while working at TXDOT. His knowledge and instinct was reflected in his respect by the industry. After I left TXDOT I was again blessed to continue the education he passed on to all of us he touched. He was tough and kind at the same time. He knew the workings of construction and the balance between getting the job done and a successful project. His spirit will remain strong on highway projects across this area. I am very proud to call myself one of his protégé's and will be forever thankful for his kindness and direction. He was always an educator and director. I also remember stories of him being a pretty good pitcher in the highway 90 league that bonded our communities. my thoughts and prayers to his family..... I am grateful and forever indebted to his direction.

“ My deep sympathy to the family of Walter Geiger. It was my pleasure knowing Mr. Geiger and most especially working along with him as he served the Southwest ISD as a Board Member. His deep devotion to the advancement in achievement for all children was strong and he always supported any program that would advance their knowledge base.
Mr. Geiger cared about effective educational opportunities for children and the best training teachers could acquire towards that goal.
I have many fond memories of Mr. Geiger that I will always treasure.

God Bless the Family.
