“ Walt was on the SACU supervisory committee when I joined the board back in 1990. I sought his counsel many times as we became good friends through the years. We've lost a good man and friend of the credit union. He will missed.

“ My deepest sympathy to the family. As an employee of SACU for the past 37 years, I was fortunate to work closely with him when he served as a member/Chairman of the Board. This fine gentleman who visited often after his retirement, will be deeply missed.

“ *I was an employee of GECU/SACU for 17 years. Walt was an inspiration to me while working with him as a member of the Board. I remember talking with him about coming from "Cornhusker" country as I too am originally from Nebraska. My thoughts and prayers*
