She is also survived by 13 great grandchildren, Ava, Huston, Adalyn, Harper, Knox, Aubrey, Orion, Rory, Cyrus, Townes, Chloe, Carrie and Wyatt.

We want to celebrate a well-lived life of 93 years. Wanda grew up in Iowa Park, Texas, and later in Breckenridge, Texas with her parents, brother Joe, and sister Maretta. She graduated from Midwestern State University in Wichita Falls, Texas, and then later from St. Mary's University in San Antonio. She was an amazing teacher for many years in the Northside Independent School District. Although she retired from teaching in 1993, she has remained close with many of her friends from school.

She married the love of her life, Clyde Wendell Cheves Jr. in 1953 in Wichita Falls, Texas. They loved dancing and listening to music and just enjoying life.

Wanda was a talented artist, and loved china painting. Together, they loved to refinish antiques . Several years after her husband C's death, Wanda retired from teaching and moved to Boerne, Texas. She loved to travel, and was fortunate enough to visit many countries. She was active in her church, First Baptist Church of Boerne, and at the Kronkosky Center where she made many special friends. Wanda loved dancing, and participating in the many activities at the center. She was the Kronkosky line dancing teacher when she was in her 80's, and she was in the traveling choir.

May the love and memories you shared with Wanda bring you comfort and strength.

"You were a gift, and your light will continue to shine in our hearts"

In lieu of flowers, memorials may be made to Kronkosky Center or First Baptist Church of Boerne.

“ I will always remember that aunt wanda received her teaching degree before she had her family so she could stay home and be a mother when she was needed then after they didn't need her so much she started her teaching career I admired her so much for planning that way it really paid off as she was a great wife and mother! Such a beautiful lady and so easy to love have really missed her.

“ What a charming and beautiful soul! Always smiling and so gentle. Wanda was a former neighbor from Honey Hill and I cherish my memories of playing bridge (Just as a substitute) with her long standing fellow teachers from Northside. Maybe 40 years +. It was always fun! May eternal light shine upon her and her soul and all the souls of the faithful departed rest in peace. Ellen Kennedy Franckowiak, La Vernia, Tx.
