February 1, 1946 - March 20, 2024

Wanda Sue Rodriguez, age 78 passed away peacefully at home on Wednesday, March 20, 2024. She was born in Little Rock, Arkansas on February 1, 1946. Wanda was known as Susie to all her family and friends. She was an avid lifelong crafter, mastering the art of crochet, painting ceramics, and coloring pages. Susie was a telephone operator for SWB and ATT for over two decades which suited her flare for communicating and conversing. We can all remember more than a handful of colorful jokes she liked to share with anyone she happened to meet. She made friends easily and was generous with her time.

Susie is survived by her husband, Jesse; son, Christopher Whitten; daughter-in-law, Robyn; grandson, Aransas; granddaughter, Stevie; daughter, Suzann Yancy; son-in-law, Erik; and numerous nieces and nephews.

Susie requested a private ceremony at her home, which will be arranged by family at a later date.
