“ Sincere condolences for the loss of an outstanding human being. I coached many young men but few worked as hard and were as competitive as Wayne. Will always remember his infectious attitude and his wonderful sense of humor. Wayne was a winner on the field and obviously a winner in life.

“ Please know how very saddened I am for the loss of your Wayne. I met Wayne about 16 years ago. He was a genuine, honest, friendly person. We often discussed various landscaping trends and ideas.

He will be sorely missed.
