

Wayne Park Holland

December 17, 1939 - March 20, 2021

Wayne Park Holland went to be with the Lord on March 20, 2021, at the age of 81. He was born on December 17, 1939 in San Antonio, TX. He is preceded in death by his parents, Louis and Eva Holland, Jr., and sisters, Mildred Baur and Carol Holland. Wayne is survived by his loving wife of 53 years, Judy K. Holland; son, Steven Wayne Holland (Kathy); 3 grandchildren, Juan David De La Cruz (Krystal), Jessica LeeAnn Evans (Steven) and Alexis Marie De La Cruz (Jakob); 4 great-grandchildren, Juan David De La Cruz, Jr., Maddie Lynn Evans, Hunter Wayne De La Cruz, and Kingston Jay Hernandez; niece Janice Sue Reeder (Bob) and nephew Timothy Kevin Baur (Thea), and a host of other extended family members and friends.

Wayne will be remembered as a loving husband, father, and grandfather without equal. The positive impact he had on his family, friends, and co-workers will be long lasting. His quick wit, sense of humor, and knowledge of history based on a lifetime of reading will be missed by all that knew him. His 21 years in the Texas Army National Guard was a testament to his patriotism, love of country and the great state of Texas. Woodworking became his passion after retirement, and offered him a sense of peace second only to the never-ending peace with God that he now enjoys. He will be greatly missed, but his spirit will live on in all that knew and loved him.

Visitation will be Friday, March 26, 2021 from 5:30 to 8:00 p.m. at Mission

“ *My name is Kelley Derks (Read), Wayne Holland was my uncle. My mom is Sheila Mason, Judy's sister. I am deeply saddened to hear of the loss of such a wonderful, honorable man. He was a loving, funny uncle. I enjoyed many trips to San Antonio to visit Wayne and Judy when I was younger. I will always cherish the memories. My deepest condolences, prayers and blessings go out to my cousin Steve and my aunt Judy, and the remaining extended family. Love and God Bless, Kelley Derks (Read) & Zachary Read (my son)*

“ Steve was a great man, who loved life. He had such a big heart. He had a lot of stories that I’m very glad he shared with me. He always knew how to make me laugh with his jokes. I will forever cherish my wooden sleigh and bread board that he made me. I will never forget that I got to help his daughter in law Kathy paint the shed in his backyard. I would do anything for him and his lovely wife Judy. I thought the world of both of them. It breaks my heart that he’s no longer with us, but I’m at peace knowing he’s not suffering anymore. May he Rest In Peace.

“ Loved Uncle Wayne so much! I wish I could have seen him more over the last few years. He would have loved watching my boys. He always loved us kids and made me feel special. Love you Aunt Judy and Steve. You are special to me. Love you!

“ *Wayne and I spent a lot of hours working on wooden things and drinking coffee. I enjoyed sitting with him and Judy just talking and drinking coffee, maybe pie or cake if we were lucky.*

“ *Mr. Holland has had the burden of knowing me since kindergarten. LOL, but not really. He knew my dad well. I say humbly that he and I had the same “Seinfeld” type humor traits. I reconnected with my friend Steve about 2 years ago and got to visit them when I could. Steve is probably the most descent man I know. I don’t need to tell you readers how great Mr. Holland and Mrs. Holland are. Steve is thier proof. I’ve lost a lot of family and friends. I talk of them as if they are still here. I m selfish that way. I’m adding Mr. H. Thanks for the patience MrH. Love you guys to the moon.*
