

Weldon Davis

November 18, 1933 - June 27, 2023

Robert Weldon Davis peacefully went home to be with the Lord Jesus on June 27, 2023. He was 89 years old. Weldon was a devoted husband, father, and grandfather. He was an accomplished entrepreneur, a civic-minded citizen, an athlete. He was a restorer at heart, fixing both broken things and broken lives. While we rejoice in his wholeness, he will be deeply missed.

Weldon was born in Bryan, Texas on November 18, 1933 to Floyd and Trudy Davis, the oldest of his siblings. He was business minded at an early age. He sold eggs from the family chickens. He started a paper route that grew to cover such a large area, he hired employees. He helped his mother run her dress shop in Houston. He loved horses, did well in school, and was active in track.

As a young man, he started an advertising business, Associate Advertising. He was active in the Optimist Club. It was on a trip to Minnesota for an Optimist Club meeting that he met Audra. They were married November 20, 1971. This fall would have marked 52 years of marriage. They enjoyed playing tennis and serving their community, supporting local charities including Boys Harbor which cared for orphans in the Houston area. As the business grew, expanding from Houston to San Antonio, their family also grew. They had two sons: Matthew in 1976 and Mark in 1978.

Weldon was active in his church, serving as an usher for over 20 years. His faith was displayed in his care and integrity. He never met a stranger, was always quick with a joke, and had a smile that absolutely lit up a room. He loved to hunt deer and turkey, hosting numerous men from a variety of backgrounds on hunting trips across the Texas hill country. He was filled with joy and shared it with everyone around him.

He leaves behind his wife, two sons, eight grandchildren, and four half-siblings. His legacy will endure for generations.
