

Weldon Wayne Parker, Jr.

April 16, 1950 - July 21, 2024

Weldon Wayne Parker Jr. passed away peacefully surrounded by his family on July 21, 2024.

Weldon was born in Fort Worth, TX in 1950, and moved to San Antonio with his family at the age of 4. Throughout the years, he and his siblings were well known throughout the neighborhood. Weldon graduated from Robert E. Lee High School in 1968.

Weldon joined the Navy in 1969 and served honorably for 4 years. Most of his service was spent on the USS Biddle as a sonar technician. He was able to sail all over the world during the Vietnam War and was proud of his service including the Battle at Piraz, where his ship was attacked and was able to fend off enemy aircraft.

After returning from the Navy, Weldon began working at City Public Service (CPS) in 1973. There he served in the engineering department as a Control Specialist, and later as a Project Administrator for 34 years, working on various projects within the local power plants. Upon retirement, Weldon served many more years as a consultant to CPS.

Weldon married Karen King, his “heart and soul” in 1974. Weldon and Karen always had a strong sense of family, spending weekends with various family members. This continued with their 3 children, always going on camping trips, hiking, biking, bowling and tennis. One of the most treasured activities was the annual summer trips down to the coast which continue today and has grown with family and friends.

In 2008, Weldon took on one of his most cherished roles yet, as Pop Pop. He loved his grandchildren immensely, always attending every school program, sporting event, and dusting off years of collected magic tricks to share with his family. Weldon loved to just be simply surrounded by his family and listening to all the simultaneous conversations and joy happening around him.

Within the last year, Weldon had become passionate in volunteering with the American Cancer Society to provide rides to and from appointments and treatments for those patients that did not have transportation. He enjoyed helping, as well as the conversations he had during the dozens of rides he gave.

Weldon was preceded in death by his parents, Weldon Parker Sr. and Margie Dietzel; nephew, Matthew Parker; brother, Jimmy Parker; parents-in-law, Manks and Louanne King; brother-in-law, Earl King.

Weldon is survived by his loving wife of 50 years, Karen Parker; sons, Russell (Diane) Parker and Ryan Parker; daughter, Kristina (Ricky) Segovia; grandchildren, Nicholas, Audrey, Ethan, Elliott, Emma and Savannah; sister, Peggy; brothers, Bruce, Charles and Douglas; sister-in-law, Sandra King, as

well as numerous nieces and nephews. Weldon's unwavering love for family and booming laugh will be greatly missed.

“ Weldon and Karen's home was the first stop after leaving the hospital when I had my daughter Robin Amber Parker Vadehra. I miss the family get togethers and the poker games. I remember his laughter the most. He will be sorely missed by all. Karen and the Parkers are in my thoughts and prayers.

“ *Dad,
You were the first man I ever loved and I am going to miss you forever. Nothing will ever repair the hole in my heart from losing you, but I know you'd think it's silly all of us making such a fuss down here in your absence. You were the greatest dad and Pop Pop and I just know you're doing magic tricks in Heaven! I promise we will take care of mom and each other. I'm going to miss you greeting me with "Hey Tina-rina" and everything about you! I love you always!*

“ Weldon was the best brother in law anyone could ask for. He always treated me like a little sister. If we ever had a problem, he took care of us. He was a great "Mr. Fixit" and if he couldn't, he'd YouTube it. I will forever love and miss him.

“ Weldon & Karen moved in next door to my parents not long after they got married and my parents adored them and they became family to us. He kept an eye on the neighborhood and always kept everyone safe. The world is definitely a lesser place without Weldon.
