Me Roerink I think about you often. Friday lunches with you and my dad. Hanging around the Pawn shop and cleaning out horse stalls, shredding, disking the arena. Mainly just talking with you. It really hurt when you had to go. Was thinking of you and Mrs Roerink today and googled and saw that she passed Dec 31. Y'all are together again. I am sorry for her passing but happy y'all are finally together again. You are and will remain a very special person in my life forever. I tell my five kids about you and how you touched my life. You're pretty special to my my friend. Thank you for being a part of my life and you're special sense of humor that still makes me smile to this day. I love you and hope I see you again one day.
