“ I just did a search and came across Uncle Lyn. I grew up with him and my Aunt Pat in Lethbridge, then lived with them and Tyler in California in 1971 when he taught me how to drive in his 5 speed Jaguar convertible. We lost touch after Aunt Pat died in 1986 but he was away in my thoughts. I am sure after all these years no one with read this but I just felt I had to say something. He was an incredible man, a loving husband to my Aunt and a wonderful father to cousin Tyler. Miss you and love you my favourite Uncle. ❤️

“ Lyn was a good man, trusted friend, and greatly appreciated member of my team while we were both at ILD. What I know of him, he would have preferred things this way, without delay. He was always a matter of fact sort of person. Probably that Canadian up
