Dyan,
We were sadden when you told us the news of you're dad's and our brothers passing. Our family will miss him very much, he was kind, generous, thoughtful, funny and a little stubborn too. You are an amazing daughter in how you cared for him, being there for him, being his advocate. He appreciate all you did for him, he would say to me, he didn't know what he would do without you. The days ahead will be hard at times, please don't hesitate to call on us.
Our heartfelt sympathies to you and your family
