“ Laurie and Keith.....

I know there's nothing I can say that will make you feel better, but please know that both of you are in my prayers. However, this I do know, your Mom and Dad are together again, happy, healthy and pain free....take comfort in knowing that.

May you both be wrapped in the loving arms of God and lean on him to help you find peace during your times of sadness.

Love to you both,

JoNell Haschke

“ *Bill Menges, a man I didn't know, but knew of..... you see he was the father of one of my very best friends on earth, Lori Holter. Lori talked about and loved her father very much. She had only lost her mom a few years before so this was very hard on her and her brother, Keith. I send my love and my prayers to Lori, Keith and Bill. I love you, Lori and although I can't be at the service, I will be there in spirit.*

Being the father of one of my best friends on earth, I have heard a lot about Mr. Menges and his wife, Mae. Lori continually talked about how much love she had for them both. She was constantly on the road to visit them when they each became ill. She loved them dearly. I felt as if I knew them. Lori and Keith, I wish you love and great memories as you go through this time. They are now in heaven, together again. The Lord's blessings upon your family. I love you❤️
