“ I grew up across the street from Mr and Mrs Casper. Mr Casper was a quiet, gentle soul. He never ever got annoyed with all the racket from us neighborhood kids. He was always happy to help with a ball or bike tire that needed air. As a little girl I recall picking a big beautiful pink rose off his front yard rose bush. My mother was furious and sent me to apologize. Mr Casper said, "Oh that's ok. There will always be more roses. You just enjoy that pretty flower.”

“ Bill and I worked together in 1958 at the Mc Creless Fox Store. Later When He was at Montgomery Ward, and I was with Western Auto we would visit. He was always a gentleman. Our prayers are with the family.
