

## William Leon Davis

November 21, 1937 - December 12, 2011

Born November 21, 1937 in Tahoka Texas, Leon went to be with Jesus on December 12, 2011. Thank you dad for loving our mother selflessly, for being Jesus in skin for many of us and defining what it is to be a man. He leaves behind his wife, Joann Davis, children David Davis married to Jennifer Davis and Beth Miles married to Kenny Miles and his grandchildren Kyla, Tasha, Shawnda, Tabby, Jacob, Cole and Jolene. "100 years after he's been gone, the might of his deeds will linger on. Through numberless lives now rearranged by a Godly mans love long been exchanged. For doubts he gave courage for the lost he laid a path, for the helpless he gave mercy and paid injustices with wrath. Love for the unlovable, a smile for your face, his life a living sacrifice to the Author of grace". We loved him so.
