

William (Sonny) Anthony Hoger

September 16, 1943 - July 25, 2021

William (Sonny) Anthony Hoger was born on September 16, 1943, in San Antonio, Texas, and passed away on July 25, 2021, in Houston, Texas. Before Sonny worked in the real estate industry as a broker in San Antonio and Houston, Texas, he proudly served in the US Air Force as a precision engineer. Those of us who knew Sonny knew he was an avid reader with an extensive book collection. He was very quick-witted, a true patriot, talked on all topics, and had a great sense of humor. He was a genuine gentleman and was one of those individuals who was your best friend if you didn't know. Sonny enjoyed flying model airplanes, scuba diving, loved magic tricks, had a great love for science and mathematics, was an avid fisherman, and loved to travel extensively with his dear wife, Lucy. Sonny is survived by his loving wife of 47 years, Lucy Hoger, brother-in-law, Larry Heiner, and nephew, Chip Heiner. He is preceded in death by his sister, Bertha Marie Heiner, and nephew, Bret Heiner.

His wife Lucy had this to say about Sonny, which sums up the caliber of the man he was and his impact on those he left behind. To the man who has shown me: Life is an adventure; Learning is a lifelong passion; Curiosity opens new worlds; Persistence creates a winner; Laughter lightens any burden; Love at-first-sight is possible and eternal; To my best friend and husband, Anthony "Sonny" Hoger
