“ I attended John Motley Morehead High School with Bud and I am so sorry to learn of his passing.

*Bud was just a good person; a friendly, fun inclusive guy who lived life well then and throughout his life, My heart is breaking for his family and his many friends. I pray God's blessings and comfort for them as they travel this heartbreaking journey. Sincerely, Linda Bryant Amos Smith*

“ My sympathy to the Howe family. I knew Bud at an early age because his dad, Howard, and my dad, Otis worked for 40 some years at Leaksville Woolen Mills also pitched horseshoes for years in the back yard. It is sad to see someone you have known for a long time pass away. My deepest sympathy to the family. I am sure you will sorely miss Bud. From across the street on Bridge St. Steve Newman

“ Bud, I remember you well and fondly. While short in stature, you were a giant of a man with a winsome smile and a keen sense of humor. Thanks for the memories of our youthful endeavors as we grew from boys to men in Leaksville, N.C. Vaya con Dios, mi amigo. Joe Crowder

“ *I remember attending Teresa and Todd's wedding in Sherman many many years ago. The day after the wedding -- we all had breakfast together at the hotel (or nearby). There was a table that was staring -- Bill went to the table and told them he was one of the little people in the Wizard of Oz (I think he even said that Toto was cool) ... he then offered autographs. The folks at the table were awe struck ...*

*I wish I had spent more time with him -- but this is my most vivid memory of Bill -- his humor, his love for life, and his warm personality. Lyuda, Suzanne, and all of those who loved him and treasured him ... my sincere sympathies. He will be missed. Love and peace to all.*

“ Bill,,,or "Bud" as I always knew him in our youth... was the best friend EVER. We built a treehouse together, camped, canoed, caught snakes, hiked the Appalachian Trail, listened to and sang along with records together (loudly), talked about the girls we knew, and had long philosophical discussions. Bill was one of a kind.
