“ To the family of William, please accept our deepest Condolences. A fond memory of Willaim was when our mom, Rita, who is Buck's mom's sister, took me and my brother Andy to Texas by train in 1961 to meet everybody. I remember when Buck took me to a little store and bought me a bottle of Dr. Pepper soda, it was the first time I ever tasted it since it hadn't made it's way to Pennsylvania yet. You will be in our prayers.

“ Thanks for always welcoming me and my family into your home. My favorite times were sitting on the swing by the workshop, chatting about life, watching you aggravate Bauer and enjoying a cold one. So happy you and Ilene enjoyed 27+ years together, I think a chili dog at the convenience store is in order!! You will be missed. Love and prayers to Ilene, Scotty and all the people whose lives you've touched. Your St. Louis Family

“ My heartfelt condolences to you for the loss of Mac. He was my "big brother" when I was growing up, irritating me every chance he got, but I loved every minute of it. I will so miss him and those wonderful memories! Love him so much! Peace to all...
