“ I was just thinking about Mister McKinney and wondered if how he has been doing and searching his name i come to find he has passed, i know it has been a little over a year, but finding out just now hurts my heart. Mister McKinney used to come by Texas Roadhouse in 2015-2016 when i worked there and would always sip on his white zifandel and just have a good conversation with you the whole time. He had invited me to a party once while i worked there to celebrate his birhtday. He was the kindest and funny man, he was always great company, we always had a seat for him. He will be truly missed. Much love and condolences from Adrea.
