Tribute Wall

“ First I want to say "I Luv U SOOO MUCH Uncle Will..U will be missed greatly..I believe God calls us to do a special job that he chooses just for each and every one of us..Some become Guardian Angels, Some Warriors..And I believe thats what U are..I know God needed a GREAT COWBOY..So he called upon U..To ride and rope the evil and keep it at bay..U never knew this and I so wish I could have told U before U left..But, I have ALWAYS seen U as this BIG STRONG COWBOY. I can still remember looking up at U as a child in awe..Thinkingthat is My big strong uncle..Who'd of known I'd taller than U when I grew up..Lol

But, don't worry..That has never changed..I will always look up to U..Just now its to the Heavens where I know Ur at..U will always be with me..Just like when U'd call me out of the blue (Even if I had a new number) I was so amazed at how U could do that..U'd say there was no where I could go that U couldn't find me..I loved how U always checking up on me that way..I also know all my uncles love me..But the love I felt from U was different..It was the love of a father..U made me feel safe and loved to no ends..U will ALWAYS be that big cowboy I remember as a little girl..An I hope one day when its my turn to gladly fulfill the job choosen just for me by Our Father..Its U who comes to lead me home..I know Ur watching over Us and I know all the Angels must be rejoicing at ur arrival..I won't say goodbye, just see U later..And say Hi to BJ and My Beautiful sister Pellon..And find my Bestie and tell her I miss her..I'll see U all one day.. Til then I have Beautiful memories..I have to say I AM Blessed ❤️
