“ Uncle Ray you will be dearly missed.. no words can describe the pain of the loss of a loved one. And when I lost the closest people to me you were there with me assuring me I would see them again. I will never forget that. No matter what you were doing or how busy you were if I needed you ,you were there whether it was to pray over my homes,marry me or a family member,or just to pray with me. You always showed up. Thank you . And I will miss you. And I pray that my aunt and cousins know that me and family will be there for them now and always. May you rejoice with my mom, dad and Momagan... until we meet again. You will always be in my heart. Roxanne, Mylah, Chris.

“ *We love you Uncle Ray. My biker preacher uncle. Thank you & my Aunt Naomi for being an inspiration through your faith. For being fearless and traveling to Share G-d's light all over this dark world. May you find rest in HIS perfect Shalom.*

Jesus said, Come to me, all you who are weary and burdened, and I will give you rest.

Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light

“ Brother Ray you are missed dearly by your Grandkids, Albert, Elijah and Hannah. Albert was just a little over a year old and I remember We lived in the back house with Momagain and Momagain would always yelling at Yoda. Naomi would come to the back house and take Betito to the front house and the both of y'all would keep him busy for a while. I'm Thankful for your humbleness and generosity at the time I needed comforting the most. You and Naomi created a wonderful environment for your Grandkids to grow. I am forever grateful. I would also like to say thank you for the honor and unforgettable blessed experience of being baptized while I was 5 months pregnant of Elijah. Well in reality you baptized two in one. My Grandson will be born soon and I already have a nickname for him, My Little Ray of Sunshine.
