“ I graduated at FDU with Bill and did many parties. In fact if it were not for him I would not have met my now wife of 44 marvelous years. He offered to help me install new front shock absorbers on my 66 mustang one bright and warm Saturday. He wanted to see his girlfriend in CT, so he fixed me up with a blind date and my life was changed forever.

Thanks Bill, see you in heaven, or wherever we both wind up.
