“ Hi I am Kenslie McFadden I am Willie Shannon's grand daughter. When I was little he would play with me non stop and even when he got tired he would still play with me. He is one of the most caring people I have met in my entire life. He passed when I was very little I wish I could see him again and wish I could tell him how I am doing so good in school and tell him my accomplishment's in life. He was a great man and I wish he was here right now.
