“ The one thing I remember her mostly is her faith! I'm sorry you had to leave this world but rest assured you made it to the promise land!!
And you know Uncle Donald is sitting up there with his toes tapping and his arms crossed saying Willis Ann where have you been I've been waiting for you!
Aunt Willis and Uncle Donald would tell out Willis to take us hostess cakes And we saw when he pulled up we rambled out to go get those freaking snack cakes lol!!!
But I do love you And everybody else in the family
God bless you I love you all!!!

I love you Aunt Willis until tomorrow comes!!!

“ Willis loved her God and her family. I was always impressed with the respect she gave others. As Lisa’s sister-in-law I’ve witnessed this firsthand. I was so tickled to see how big a Charlie Pride fan she was. I will never forget she and Joyce driving all the way up to Lisa’s to see him perform. I am glad I knew you Mrs.Damron. My love to you and yours, Kathy Hartline
