Willis G. Bill Morton, Jr. passed away Monday, November 13th, 2006 from complications arising from Myelodysplasia Syndrome he had been battling for the last few years. He was 80 years old. He died peacefully surrounded by members of his family. He was a loving husband, father, and Granddaddy and his death is a great loss to our family.

He was born May 2, 1926 in San Antonio, Texas. A child of the Depression, he lived with various family members before settling in Somerset where he graduated from high school in 1944. Bill served in the United States Air Force in the Pacific during World War II and again during the Korean War in the Air Defense Command. He was proud of his military service and remained patriotic all of his life. In 1947, he married Edith Inez Dale of Beaumont and they had four children together. He spent countless hours supporting his children by being either directly involved in or attending sporting and academic activities for the better part of two decades.

His father, Willis G. Morton, Sr., his mother, Flossie Jones Morton Cope and his brother, Ernest Dwayne Cope all preceded him in death. His half-sister Shirley Morton Bean resides in Colorado. He leaves behind, Jo, his loving wife of 22 years and her children Barbara and Donny. He also will be missed by his seventeen grandchildren and many nieces and nephews. His newest love and constant companion, Mimi,

will miss all of the treats and their morning walks.
