“ Before the cinnamon rolls during the Cedar Oak's years there were other traditions at the lease in Comfort Tx Venison steaks and luscious brown pan gravy cooked in the same cast iron skillet And who could forget Friday Night Tacos piled high on a platter and the ensuing rush to the table! She had other skills too. Sharp as a tack for one and she knew just how to use it! She was also a skilled ballroom teacher, then bookkeeper for the owner of a boot shop. Best of all she had shoulders to lean on and ears to listen to young a young woman who needed someone to listen. We will all miss you Granny and love you

“ It seems like just yesterday when we would all be at the hunting lease with Granny and PawPaw getting ready to head to the blinds with coffee smell in the air and Granny in the kitchen warming up cinnamon rolls in a cast iron pan with lots of butter. ❤️❤️❤️
