“ I remember some family get together's we'd go to when i was a kid, and Yadi would be there, nicely dressed, as she always was, and just enjoying talking to her. I remember telling her once that I wanted to be like her, all professional like. A single woman with a professional job not needing to depend on anyone but herself was someone I looked up to. She was just a joy to be around. God Bless you Yadi. You will be missed. RIP 🙏💙🙏💙🕊️🐶.
