“ Mom..... You do not understand how much this hurts me... I walk through the hallway every day as a routine wanting to go tell you good morning. But instead I'm talking to your cat PITA... Telling her good morning and telling her I know how she feels. SHE CRIES FOR YOU EVERY DAY. You left me some high standards to fulfill. But I promise you with all my heart I will do what I promised you. I MISS YOU SO MUCH. We had our differences but I want you to know I have and still love you ad my mother. You taught me alot and I appreciate you for that. Till we meet again. I love you Mom.

“ I so miss talking to you. I loved that you made me feel special and you always made time to listen to me. You were just that type of person. I know you were at peace with dying, but I hated to hear that you have gone. Just wished I had more time with you on earth. You were family and so blessed that God gave us an opportunity to share that time! Love you Yolanda and miss you bunches!

“ *If roses grow in Heaven Lord, please pick a bunch for me. Place them in Yolanda's arms and tell her they're from me. Tell her that I love her and when she turns to smile, place a kiss upon her cheek and hold her for awhile. Remembering Yolanda is easy ,I do that often ,But there's an ache within my heart that will never go away. Rest sweet Yolanda.*
