My heart is broken! I loved her very much! She was a big part of my life. She taught me a lot and even how to swim. I looked forward to summers when she would take me swimming. She had a big heart, she was funny and she was stern. If anything was wrong or they needed help, she would call my mom and my mom would call me to get over there as soon as I could to help them. I love her and she will be deeply missed! 🙏
