“ *Yolanda is the grandmother to my 3 daughter's (Brianna, Marina, and Desiree). Though we did not see each other as much as we wanted to, I know she loved us. She always remembered her granddaughters birthdays and special occasions. Every time I saw her, she would always tell me to give her princess's a hug and kiss from her, to tell them she loved and missed them. Then she would bless me and the girls. I'm going to miss you Yoli but I know one day soon, I will be seeing you. I'll always remember you, even more so when I hear a Beatles song come on. You will always be my one and only mother-in-law. We love you and may you rest in peace.*
