

Yolanda G. Garza

October 29, 1947 - September 20, 2021

Nobody else held me so tight
Or made me feel so right
No one's eyes shined so bright with love
As my mom, who is now high above.

The world lost a beloved mother, Yolanda G Garza, age 73, on September 20, 2021. Yolanda, also known as Yolie, battled Liver Disease, but it never stopped her from giving out the best hugs and smiles.

Yolanda died in her home peacefully surrounded by her daughter, Michelle, and her sisters and brothers. Yolanda was born in San Antonio, Texas, on October 29, 1947. She claims to have learned everything she knew from her own loving parents, Santos and Celia Garcia.

Yolanda was retired in 2002 from Southwestern Bell Telephone Company. As a single mother, she worked very hard to support for her family. Her colleagues and friends knew her as a kind soul, always willing to cheer you up with hugs and smiles. She always brightened a room with full of cheer and laughter, Never a dull moment with Yolanda. She enjoyed and always wanted to be surrounded by family and friends. No one was a stranger to her. She enjoyed listening to her conjunto music and dancing. She attended many gatherings with her partners in crime, Elva Casarez (cousin) and Rachel Rodriguez (comadre). They followed the music scene and made many

wonderful musician friends alone the way. Yolanda was the Thanksgiving guru and cooked every year for the family at her parent's house, which started promptly at noon. She was always there for her family and friends.

Yolanda's Faith got her through any bad times, which she survived. She was a Women of Determination, Strength, and Love. Yolanda was a proud graduate from Brackenridge High School.

“ I've only known Ms Garza for a short time but found her to be a lovely person. Yolanda shared some of her life stories with me and said she had lived an interesting and full life. I am Blessed to have met this lovely lady. May God Bless her family at this time of sorrow and know that she was loved by all.
