Yolanda Morales Gonzales born December 21, 1935 in Monterrey, Nuevo León died on Tuesday February 2, 2023. She is a life long resident of the city of San Antonio arriving to the State of Texas at age 16. She learned English at the YMCA and began caring for young children at the time. She was proud to proclaim that all her five children were US citizens and joined them in that honor later in life; never missing an election.

She was preceded in death by her husband, Jesse R Gonzales, Sr., her oldest son, Vidal Guzman and her grandson, Vidal Guzman III. She is survived by her daughters, Ana Maria Guzman-Quirmbach (Charles), Margarita Martinez, her sons, Jesse R Gonzales Jr. (Patricia) and Jason R Gonzales (Lori), stepson Robert R Gonzales (Ronnie); daughter-in-law Lidibette Guzman (Vidal□), 10 grandchildren, 7 great-grandchildren.

She was a member of St Dominic's Catholic Church where she served as a member of the choir and founding member of the Guadalupanas and Las Posadas. Yolanda worked for Southwest Research Institute for 25 years before retiring, earning employee of the month on several occasions. She was the quintessential "mother"; always caring and nurturing her blended family through the hardest of times with a strong, yet quiet resolve. She was no stranger to struggle, fear, chaos, crisis, or loss; often leaned heavily on her catholic faith to carry her through. She often commented her life would make a
