“ *I will always remember the good times we shared together, and the hardships we went through. I remember when you told how sorry for how things went south between us, but as I told you then, it's all in the past, so there was no reason to apologize, just to remember the laughs, and good times we shared. The one memory that always comes to mind was when I got home at 5 in the morning, and you cursed at me. so I told you "Well I guess you don't want the dress, flowers, or perfume I had gotten you for Mothers Day... boy you opened the door in 15 seconds, and all was forgiven. Rest in peace my friend*
