“ My heartfelt condolences to the Quintero and Perez families. Yolie and I were great Tom Jones fans, she took me to his concert when he came to SA...she was 19 and I was 15. She promised she would take me to The Town Pump when I turned 18, but she met Marcelo and well...you know the rest;) Rest in peace my friend.

“ Yolie, I will truly miss you. We grew up together and shared so many memories . You were always a big part of my life, because we hung out a lot together. You were always a sweet, beautiful, generous, and fun loving person. You always made people laugh, and knew how to comfort someone when they needed a hug. We used to call one another and talk about the good old days, and talk about our kids and grandkids, I spent a lot of time at your house, and i really felt like i was apart of your family. One of the memories we always laughed about was when i was spending the weekend at your house. We were in the rear of the house , and we were playing around and i threw a shoe across the room, and your dad yelled who threw the shoe, and everyone got scared and then i said I did, Uncle Johnnie, and he just said don't do it again. We used to laugh about at that all the time. I will always cherish the memories of you and the fun times we had. I will miss your phone call, and texts that i used ti get from you. and our special cards to one another. I couldn't have asked for a better childhood spending it with you. I Love you.

“ Yolie I'll miss you so much! Thank you for always being so kind to me. You're such a great wife, mother, and loving sister-in-law! We had so much fun going to Panchito's and Lockhart and eating lemon meringue pie. I'll never forget how you were always so sweet to my girls and how you loved your Shadow! You were Shadow's favorite and I can see why! So sweet of you to always love family time! You loved your daughters and husband so much! I love you and you'll always be with me!
